Thank you!

Neighborhood Garage Sale

We are having our 2nd Annual Spring Neighborhood Garage Sale on March 15, 2025.

Everyone is welcome & it is free to participate. Please fill out this [google form](#), also posted on brookhighland.org to be included in our shopping map.

There is also an option if you would like the Lovelady Donation truck to come pick-up after the sale.

Spring Maintenance

One of the great things about living in Brook Highland is the benefit of having great neighbors and good covenants.

Together they maintain and enhance the value of our property. The Brook Highland Protective Covenants exist to maintain the appearance and high standards of our neighborhood. Compliance is monitored by Neighborhood Management periodically for our mutual benefit. Most discrepancies observed are trivial and easily resolved. For example, an easily remedied non-compliance is with mail boxes. While one mail box may not seem important to you, a number of them together may present the image of an older or neglected neighborhood.

Please keep your mail boxes, yard, and neighborhood looking well kept and desirable. For the most part, our residents support and appreciate the covenants, making the necessary changes in a timely manner. If you receive a letter, please do not feel insulted, but consider it a reminder to our shared neighborhood commitment. If you feel the letter is in error, please follow-up with Lauren Berzette, our neighborhood property manager.

While we are in our yards performing landscaping maintenance this spring, please be cautious to keep debris from our neighborhood flumes and culverts.

What is the HOA?

Jay Waites, President

Lauren Berzette, Neighborhood Manager

What is the HOA and what does it do?

The three elected board members oversee the management company in day-to-day management of the neighborhood and ensure neighbors are following covenants and guidelines.

What is the role of the Neighborhood Management?

Their role is to execute daily operations of the neighborhood. Such as vendor contracts are followed through and paid, ensure the street lights are operational and the electricity is paid, etc. Their role is to maintain the overall well-being of our community and to assist in communication with neighbors.

Architectural Review Board

What is the ARB?

The ARB is our Architectural Review Board. Anytime a resident of Brook Highland wishes to alter the appearance of their property, a request must be submitted to the ARB for review at arctracker.com. If in doubt, please e-mail hoa@brookhighland.org.

When to use the ARB?

Anytime maintenance, repairs, or upgrades are being made to the exterior of your home, yard, or landscaping.

How to use the ARB?

Go to arctracker.com and click on "login to your neighborhood", then search for Brook Highland. The prompts that follow are explanatory. If at anytime you require special assistance, please reach out via e-mail to hoa@brookhighland.org for clarification.

Compliance

It is the responsibility of Neighborhood Management to enforce covenants so our subdivision continues to be a peaceful and beautiful place to live.

Lauren, our neighborhood manager receives ARB submission and approval reports.

Mailbox Posts

If you are in need of mailbox post maintenance, repair, or replacement, we recommend Alabama Mailbox Company.

Several neighbors have had success with individuals or smaller business to perform their mailbox upkeep.

Neighborly Pet Etiquette

Please continue to be diligent in picking up your dog's waste.

Please also remember that it is important for the safety of your dog and your neighbors that you please keep your dog on a leash at all times.

The majority of neighbor complaints are for dogs barking.
